## Water Restriction

Don't forget watering your lawn has been changed to one day a week. For odd number houses it is Saturday and for even number houses it is Sunday. Change your sprinkler system timer so you won't get a fine.

## Trash & Yard Waste

Trash and yard waste should **NOT** be put out until the scheduled pick up days. If it sits at the curb for too many days it could attract animals and it detracts from the beauty of the neighborhood. Please also put your trash can away after pick in a timely manner.

Trash pick up is on Monday and Thursday and Yard waste and recycle pick up is on Thursday.

**Trash cans are supposed to be stored out of sight according to our deeds and restrictions. Article X Restrictive Covenants Section 14.TRASH**

## Parking

With the holiday season here, many of us will be having company. Please be considerate of your neighbors and community, do not park directly across from another car on the street.

Garbage trucks and emergency vehicles have a hard time getting by when cars are parked too close to another.

## Santa is coming to Fullers Crossing

Santa Claus - along with the Winter Garden firefighters, police & city helpers - will wind his way through the neighborhoods of Winter Garden bringing holiday music, candy & good cheer. He will be driving through Fullers Crossing on Monday, December 12<sup>th</sup> between the hours of 6:00 p.m. and 9:00 p.m. (Fullers Crossing is scheduled for approximately 7:30 p.m.) Alternate date is Monday, December 19<sup>th</sup> in case they are unable to come.

## Upcoming Events in Winter Garden

Downtown Winter Garden will be turned into a Holiday Wonderland filled with all the trimmings starting December 2nd through the 23rd.
